## About Green Gaint India Private Limited

Green Gaint India Private Limited is a professionally managed ISO 9001:2015 certified company engaged in the field of furniture manufacturing and trading. The company is managed by highly experienced marketing and technical professionals. We have been serving Eastern India with the different range of products. We try to build healthy relationship with our clients.

We offer you a wide range of furniture for the office, lounge, bedroom, dining room and kitchen. Our modern contemporary furniture boasts quality, design, innovation and premium craftsmanship. We honour our name by making high quality furniture that fits in both classic and modern interior design. We offer you a great range in terms of size, style, materials used, and look and feel when it comes to furniture shopping.

### OUR VISION :

- ☞ To provide customers with high quality furniture
- ☞ To solve customers' problems regarding furniture
- ☞ To meet customers' demands
